Stone sorte grožđa odnosno sorte grožđa za potrošnju u svježem stanju stvaraju se i gaje širom svijeta, Australija, Južna Afrika, Brazil, Kalifornija, Italija, Francuska, Ukrajina, Srbija, Kina, Japan itd. Raspoređene su kroz svih pet epoha dozrijevanja, od najranijih do vrlo kasnih. Ovo su sorte grožđa najčešće krupnih grozdova, najrazličitije boje, bobica različitog oblika, okusa i slasti. Jedna od grupa stonih sorti pored klasičnih nama dobro poznatih (Kardinal, Srbija, Beogradska rana, Sultanina, Muskat Hamburg, Viktorija, Afus Ali, Italija i mnoge druge), interspecies hibrida (Lasta, Karmen, Ljana, Moldova i druge) je i grupa stonih sorti pod imenom ARRA. Neke od njih gaje se i u Kaliforniji. **Video:** A Grape Journey:

<p><i>Early Sweet®</i> is an early harvest grape. They are large and green to creamy in color with a very sweet flavor that has a touch of <u>muscat</u>.</p>		<p><i>Sugraones</i> have a light, crunchy texture and sweet flavor complemented by a bright green color. These berries are an early-ripening, white seedless variety.</p>		<p><i>Arra 16</i> is a proprietary variety with a light green color and a rounded shape. This early season grape has good shelf life.</p>	
<p><i>Princess</i> This mid-season grape has a light green color with large, cylindrical berries. The flavor is similar to Muscat grapes.</p>		<p><i>ARRA Sugar Drop®</i> is an early variety with excellent eating quality characterized by appealing, elongated-shaped berries that are crunchy and sweet with a light creamy color.</p>		<p><i>Arra Sweeties®</i> This mid-season grape offers a very sweet, crunchy, and well-balanced eating experience and large berries.</p>	
<p><i>Autumn King</i> is a late season green grape with very large berries. They have a mild sweet flavor.</p>		<p><i>Sweet Globe™</i> is a mid-season green grape. The berries are large and crunchy with a sweet and refreshing flavor.</p>		<p><i>Yummy Crunch™ (Ivory)</i> is an early-mid season green grape. The berries are large, crunchy, and meaty. They are sweet with a hint of <u>muscat</u>.</p>	

Arra Passion Fire® is an early seedless red with exceptional eating quality. It has very large, crisp berries and excellent cherry color. This variety is very fertile, has a medium sized bunch and ripens at the same time as the Flame.

Arra Passion Punch® is a late season red seedless variety. It has naturally large, crisp berries that have a hint of apple flavor when fully ripe. This variety has excellent eating quality and shelf life; it is rain durable and reaches a cherry red color late in the season.

Muscato Amore® (Sweet Scarlet) is mid-season sweet seedless variety that has a crisp flesh that is light and pleasant. The variety has a unique red color which is brighter than other mid-season grapes.

Flame Seedless These red berries are a cross among Thompson, Cardinal, and several other varieties. Deep red in color, Flame berries are medium-sized, round, crunchy, and sweet.

Scarlet Royal These large grapes range from bright red to dark cherry in color and are crisp with an excellent sweet flavor.

Allison™ is a late season red with extra large berries and a naturally sweet flavor.

Arra Mystic Dream® is very fertile, it has large bunches, big berries and is very sweet and crisp. It ripens very late in the season with a full black color, it has excellent hanging ability on the vine and a long shelf life.

Arra Mystic Star® is a beautiful, mid-late season, black variety. It boasts large bunches and berries with a good eating quality. The flavor is that of a classic, delicious grape juice.

Autumn Royal is a relatively new black grape variety. It is a sweet-tasting and often described as crisp or even crunchy.
